

testify against the bill and I will have a letter, I don't have it yet, from the City of Omaha giving their official position because we did work in amendments we adopted on Select File, simply took care of the concerns of the City of Omaha. So the City of Omaha serves Sarpy County. We have worked very closely with the City of Omaha on this issue and so I simply ask for...I will have a note from the City of Omaha in a few moments about their concerns have been addressed in the amendments that were adopted.

PRESIDENT ROBAK: Thank you, Senator. Senator Chambers.

SENATOR CHAMBERS: Madam President, members of the Legislature, Senator Hartnett and I discussed this so I'm going to ask him a couple of questions to help make the record clear. Senator Hartnett, when I brought a copy of this letter to you, you told me what you just told the body, that you had talked to representatives of the City of Omaha. Is that correct?

SENATOR HARTNETT: Yes.

SENATOR CHAMBERS: And they now have no opposition to the bill. Is that correct?

SENATOR HARTNETT: That is correct. That is correct, yes.

SENATOR CHAMBERS: And this is because of amendments that had been adopted on Select File.

SENATOR HARTNETT: Yes.

SENATOR CHAMBERS: Senator Hartnett, I was going to oppose the bill as I indicated to you, but since you've never tricked, deceived or lied to me with reference to legislating, I'm going to take your word for it and I'll now support the bill.

SENATOR HARTNETT: Thank you very much.

PRESIDENT ROBAK: Thank you, Senator Chambers. Senator Pedersen.

SENATOR PEDERSEN: Madam President, members of the Legislature, I feel the same way Senator Chambers does. I have no reason to doubt Senator Hartnett. I've heard nothing more from the City of Omaha since this, so I have no problem with that whatsoever.
